## An Evening Of Celebration

Luxury Budget Apartments  
MEDAVAKKAM

The Palm Gala Evening was carried out on **14th April 2011** amidst an atmosphere full of cheer and delight. The function was presided over by the Group Chairman, W.S Habib and witnessed a great amount of support from the residents of The Palm who took part in the event with lot of enthusiasm and zeal.

The release of the Palm Handbook and special acknowledgement to the architects, consultants and RWD members for their noble contribution in shaping up the project remained the key highlights of the evening. Palm Handbook is a concise guide consisting of all the rules and regulations especially formulated to protect the interests of all the residents of The Palm, and to promote a good rapport among them.

The event also comprised of cultural programmes and dance performances by Raack Academy and the children of Palm & Fern. The Palm Gala Evening coincided with the birthday of Mr. RS Ganesan, President of Palm & Fern Association which added a double delight to the entire celebration. With fireworks marking the beginning of a new era over the enchanting evening sky the event came to a pleasant conclusion.
